Competition for individual riders: 16 riders plus Track Reserves as available will compete in each meeting.

The meeting will be composed of 20 heats. Each rider races 5 times and races each opponent once.

The top 2 points scorers after 20 heats transfer to the Grand Final. Riders in positions 3-6 will transfer to the semifinal. Top two finishers in semifinal transfer to Grand Final.

Finishing position in classification after 20 heats will determine gate choice preference in semifinal. Gate choice preference in final is

1. Top point scorer
2. 2nd top point scorer
3. Winner semi final
4. Second semi final.

Final classification:

Positions 1-6 are determined by finishing order of Grand Final and semifinal. Positions 7-16 are determined by points scored.

All heats will be run with a maximum of 4 riders over 4 laps.

Riders will be awarded race points according to their finish position in each race: 3 points for first place, 2 points for second place, 1 point for third place and 0 point for fourth place.

All other heats have pre-fixed starting positions in accordance with the Race Format.

In the event of the event being shortened due to weather or some other situation, the result shall be declared if the event has run beyond 3 rounds (12 heats). If the event is abandoned mid round the results will go back to the last completed round.

If the event is abandoned before the completion of Round 3 it shall be deemed as void and be restaged at a date TBD.

In the event of the program falling below 14 riders ahead of race day, the promoter has the right to revise the race format if deemed in the best interest of the event.

Ties: After the completion of Heat 20.

When establishing the order between the riders in the list of Intermediate Classification at the conclusion of Heat 20 any ties outside of for positions 1st, 2nd and 3rd will be solved as follows:

- a) Precedence will be given to the riders (tied on race points) having the most number of 1st, 2nd, 3rd or 4th placings (a "0" for last placing is better than being disqualified for whatever reason).
- b) If the tie still persists and involves only 2 riders, precedence will be given to the better-placed rider in the heat or heats where the 2 riders met.
- c) If the tie still persists and involves more than 2 riders, it shall be checked whether there is a possibility to determine a proper precedence (e.g., 3 riders tied on points: A, B, C)
 - * Rider A has beaten rider B
 - * Rider A has beaten rider C
 - * Rider B has beaten rider C

Then the precedence will be: best position for rider A, then rider B and then rider C.
